

# Samsung Galaxy Tab Active-3 multi slot dock

**Simple and safe charging for the Galaxy Tab Active 3, 2 and Galaxy Tab Active**

**Multiple bays eliminates the need for a single wall charger for each tablet**

## **SPECIFICATIONS**

### **Reliable, simple to use**

- Supports up to five Tab Actives
- Docks on Tab Active pogo pads
- Durable rugged ABS materials
- One handed insertion and removable
- For desktop or cabinet use

### **Safe & protected power for the dock and the tablet**

- Ultra-durable pogo pins align precisely to the tablet
- Tab Actives will charge at max rate allowed on pogos
- LED's show charging status or slot fault at a glance
- Slots are off until the dock detects a Tab Active inserted
- Over current protection shuts down the slot if fault is sensed

### **Certifications**

- FCC 15-B Class B, CE Mark
- Canada, United States, Europe
